DID YOU KNOW

The Australian Round Dance Association (ARDA) is a national organisation dedicated to education and the advancement of Round Dancing.

Since 2012, ARDA has hosted Conferences across Australia, beginning with the inaugural event in Hobart. These Conferences are typically scheduled just prior to a National Square Dance Convention, allowing members to maximise their time in the host location.

Where possible, ARDA invites international cuers to enhance the learning experience. In 2027, we are proud to feature our International Cuer/Teaching Couple, Randy & Marie Preskitt. The Conference is designed to provide valuable time for education for both dancers and cuers—opportunities that are often limited during National Conventions. The emphasis is firmly on learning, teaching, and skill development for all participants.

For non-members, the Conference registration fee includes one year's ARDA membership. By renewing annually, attendees can continue to enjoy the benefits of membership and participation in future Conferences.

ARDA is also pleased to support State Associations by offering financial incentives for current ARDA members attending Round Dance Festivals or teaching weekends.

Incorporation of ARDA provides an added level of protection and security for its members.

This will be a separate event to the Conference. More details will be available shortly.
