Psicofonía Lyrics

Spanish

Él no descansa en paz
Su alma llora, llora, él no se conforma con la soledad

Desde que ya no está
Él empezó a vagar
Su alma penitente sin opción a muerte por la eternidad

Se conocieron en un frío diciembre, tres años atrás
Él quería asustarla por el ventanal
Ella lo asustó cuando le sonrió
Él miró sus ojos y cayó en su fondo hasta su corazón

Ella es una loca, loca perdida
Él adora su alma herida
Y se amaron bailando sin tiempos
Psicofonías que él cantaba en el viento

Ella es una loca, loca perdida
Él se aparece en fuego y policromías
El fantasma y la loca se quieren casar
El padre de ella no lo quiere aceptar

Mas una maldición
Lo ata en la mansión
Por eso él canta, canta y el viento se lleva su lamentación

Si pones atención
Escucharás su voz
Y seguro que ella allá en su blanca celda
Baila psicofonías de amor

Ella es una loca, loca perdida
Él adora su alma herida
Y se amaron bailando sin tiempos
Psicofonías que él cantaba en el viento

Ella es una loca, loca perdida
Él se aparece en fuego y policromías
El fantasma y la loca se quieren casar
El padre de ella no lo quiere aceptar

Ella es una loca, loca perdida
Él la adora, ella nunca lo olvida
Pues la envuelve con psicofonías
Los muertos nos hablan, algunos nos aman

English

He doesn't rest in peace
His soul cries, cries, he doesn't settle for loneliness

Since he's no longer
He began to wander
His penitent soul with no option of death for eternity

They met on a cold December, three years ago
He wanted to scare her through the window
She scared him when she smiled at him
He looked into her eyes and fell deep into her heart

She is a crazy, lost crazy
He adores her wounded soul
And they loved each other, dancing without time
Psicofonías that he sang in the wind

She is a crazy, lost crazy
He appears in fire and polychromes
The ghost and the insane girl want to get married
Her father doesn't want to accept it.

But a curse
Binds him in the mansion
That's why he sings, sings and the wind carries away his lament

If you pay attention
You will hear his voice
And surely she, in her white cell
Dance psychophonies of love

She is a crazy, lost crazy
He adores her wounded soul
And they loved each other, dancing without time
Psicofonías that he sang in the wind

She is a crazy, lost crazy
He appears in fire and polychromes
The ghost and the insane girl want to get married
Her father doesn't want to accept it

She is a crazy, lost crazy
He adores her, she never forgets him
Because he envelops her with psychophonies
The dead speak to us, some love us
